#### **Dear Praying Friends**

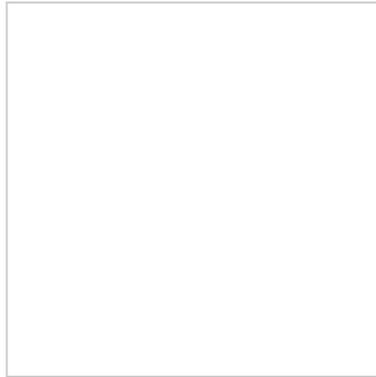

My first week back studying and I already feel as though I have learned something. I am doing a 3 week intensive on "Holiness in the Gospels". We have been blessed to have, from the UK, Dr. Kent Brower, Author of the book with the same title. He has great insight and I have appreciated the reminder that our personal holiness can only be understood in relationship to our Lord. We are holy because He is holy, our relationship to him starts the process of sanctification and as we follow and learn from Him, as disciples, our lives reflect His nature. A nature which doesn't hide away like the Monastic' in fear of being contaminated by the world, rather we go out as salt and light to infect

the world around us with our lives, lives that reflect our Lords. What that looks like in practical terms both at a personal and corporate level is the vertical and horizontal command of Jesus. The world need to see us as people who love our God through our total devotion to Him and our sacrificial love for our Neighbour. The challenge is "how do we do this in a world that is constantly indoctrinating, at every level of society, to see ourselves as number 1. think about it and let me know what you think.

## Welcome to Australia

Do you remember this face, yes that's right it's EDO  
The two boys jaming away. They are having a ball

Edo has grown taller than Ashlee

**Pray** for Ashlee as she continues to work hard to finish all her year 12 subjects.

**Pray** for Edo and his time with us in Australia and his parents as they will miss him especially since he is so far from home.

**Pray** for me this months as I work through this months intensive subject, it is quite a challenge and will take some time before I get the swing of things.

**Pray** for Sharon as she continues to teach the kids and as she prepares for she speaking engagement in Victoria next month

**Pray** also that some may catch the burden to partner with us in our ministry as Sharon shares in a group of around 100 women over the weekend of the 25th-27th of August

**Pray** for those who have shown an interest in the short term mission trip in Jan 07 and that the right 7 people will be selected for the trip.

## Thanks So Much...

Thanks again for standing in prayer with us.
