Reaching another one for Jesus...

PRAISE POINTS

PTL the church we attend have asked if John would like to lead a group who's focus is on evangelism in the Redland Bay area.

PTL for the great time we had with Edoardo, our friend from Italy. It was good to minister to him, as he hasn't had any Christian fellowship since we left Milan a year ago.

PTL for all John has learned in his last intensive, "Holiness in the Gospels" course at College, he found it helpful for his ministry in evangelism.

PTL For the beautiful ministry of encouragement that God has given Ashlee with the youth at church.

Dear Praying Friends

July was a busy month. John's first month at Bible College went very well, our time with Edoardo was like old times in Milan, John preached at church and we had lots of great opportunities for ministry.

You can take the pirrotta's our of Milan but you can't take Milan out of the Pirrotta's

Early in July we had a call from a lady called Chiara, from Melbourne. Her and her husband Marco came to Australia with their family from Italy a couple of years ago, he is here doing a Masters in neurology. Chiara is a young Christian who came to faith in Melbourne through the witness of some Christian women in a mums group. She has been attending Bible Study Fellowship since and is growing in the Lord. She heard about us, and our ministry in Italy. She made contact with us and came with her husband and kids to see us. We had a fabulous time together, I am sure Marco will make a decision to follow Jesus, through the gentle and loving witness of his wife. She is so excited about her relationship with Jesus that she shares Him with everyone she meets. She asked if I could give her some contacts in Italy who could encourage her sister and mother who live in Milan, and you wouldn't believe it, they live very close to the church we were a part of there. It seems as though Chiara's sister is keen to meet with our friends, her mum is reluctant. The mother is quite ill and in need of prayer, especially that she comes to know Jesus as Lord and Saviour. Please uphold Chiara as she witnesses to her friends and family both here and in Italy.

Urgent

I am trusting the Lord for the outcome of this trip. 0401525724 or john.pirrotta@eyesfixed.com
