## Mission Europe

What are you doing in January 07? How about joining me on a mission trip to Europe for 15 days?

---

"Hands on Missions Experience"

(HOME) is a 15-day intensive mission experience which will develop in you a higher appreciation for incarnational, cross cultural ministry.

A missions journey through Europe exposing you to the gospel needs of the countries that once imbibed the gospel but now live in a post-christian malaise in need of a very special revival.

**If you want to know more Please let me know!!!**

**Thanks So Much...**
