Wise Men  
Still Seek Jesus

## Merry Christmas And a Happy New Year

Dear Praying Friends,

**Sharon and I** wish to extend to you the warmest greetings for this wonderful time of the year.

**We are so thankful** to God for all the wonderful blessings. As we reflect on 2007 we have seen the closure of some ministries and the beginning of new ones.

**I have graduated** from Bible college with a Bachelor of Theology, my ministry as Worldteam mobiliser for QLD has changed to church planter, and I am overseeing a large group of older youth.

**We are working** in partnership with Victoria Point Baptist Church in the Redland Bay area (South East of Brisbane). We have a regular attendance of 30 people meeting in the local golf club.

As well as the Sunday meeting we have started a Thursday night life group with a focus on inviting our friends from the area. Our vision is to reach the unchurched with the message of Jesus love. If you wish to know more about our mission and vision please visit: [www.eyesfixed.com](http://www.eyesfixed.com) then go to "South Redlands Christian Community".

**Sharon** has also been blessed as she has had the pleasure of caring for a 16 year old expecting mum who arrived at our home without a place to live 5 moths ago. Jessica has since been restored to her family and we hope and pray that she will have the love and support she needs as she faces the challenges of being a young mum.

**Nathaniel, Ashlee & Joshua** are all well and the Lord is using them to bless others in there networks.

**We are excited** that Shardi, Dave and our grand daughter Allegra have moved up from Melbourne to live with us in Brisbane, they arrived in the middle of December. Dave is keen on finishing his theological studies and serving the Lord in QLD.

**As you can gather** the Lord has answered our prayers in bringing our family together again after many years of separation. God is so Good.

**Thanks so much** for your faithful partnership in Pray and financial support, God Bless You!!
